ALL GOOD THINGS LAST LONG.

DS was founded in 1971 and, since then, has been delivering quality, safety, and innovation to its customers. Covering over 12,200 m² of manufacturing space, DS has a portfolio with more than 2,800 items.

+ 50 years

+ 12,200 m²

+ 2 thousand items

+ 450 employees

+ 30 countries (exp.)

ENVIRONMENT

As a company committed to sustainability, DS manufactures its products with raw materials that comply with GADSL requirements and are submitted to clients via IMDS, ensuring environmental responsibility.

SOCIAL

DS® aims for its employees' health and safety. Hence, we invest in their wellness and fully comply with Employment Regulatory Rules (NRs), the Consolidated Labor Laws (CLT) and other applicable laws and regulations.

SELF PRODUCTION

At DS, we adopt a vertical production methodology to enhance efficiency and quality. We ensure full control over every process and, by being fully self-sufficient, eliminate external dependencies to guarantee a superior standard in our production.
